Letter Grade Assignments

- I assign a letter grade only for the final course grade
- I look at the final exams and course record of the class and assign two key dividing points: the A/A+ and D+/C- boundaries, and assign course grades from there using equally-sized intervals
  - No required numbers of any particular letter grades
  - Absolute scores are not important; the boundaries shift according to the difficulty of the exams in any quarter
  - Ignore any letter grades you might see on smartsite
